To Whom it May Concern:

This letter is to confirm that Olga Pigareva had worked for Telecontact for approximately two years and half. During that time she performed many functions for our company and reported directly to me. From the very beginning Olga demonstrated her analytical mind and system approach to any tasks. Her ability to learn quickly and take on new responsibilities added tremendous value to every project she was involved in. She learned new promptly and promoted its in her daily work. Her co-workers also held high regard for her as a valuable resource.

Olga has a great work ethic and performed her duties reliably and honorably. She is highly self-motivated, efficient, independent and well capable of achieving any goal she sets her mind to. Olga is a talented young woman, and everyone here wishes her all the best with her move to new country.
